## 3. Notes to the annual account

The 2017 annual account has been compiled by a general member of the board of Plenty Food NL, based on the available information. The board of Plenty Food International is responsible for the accuracy and completeness of that information and therefor the annual account.

The organisation is currently supervised by the directors, Mr. S.A. Wietses, Mr. J.J.M. Koedam and Mrs. M.T. van Eldik.

#### Activities

Plenty Food International directs its activities towards stimulating a fair food distribution and sovereignty through vegan development cooperation. The emphasis lies on stimulating and supporting organic farming and permaculture. The activities extend from communicating information, organizing campaigns, establishing and supporting projects that stimulate food availability in the world.

#### Accounting principles

The general basis for the valuation of assets and liabilities, and determining the result is the acquisition price. Unless otherwise stated assets and liabilities are set at nominal values.

Income is accounted for in the year in which it is received. Expenses are accounted for in the year in which they are foreseeable.
